

# 2022 FALL SMALL GROUPS

## CORE CURRICULUM

We want everyone in Small Groups to experience one of the Core Curriculums at Church of the King.

This semester, we are highlighting our core curriculum ***Biblical Foundations*** and ***Freedom***.

In *Biblical Foundations*, you will gain a greater familiarity with the Bible and learn important Christian concepts like salvation, lordship, the Holy Spirit, faith, and evangelism. Through Pastor Randy Craighead's teaching videos and our brand new *Biblical Foundations* book, you will come out of the semester having a solid foundation in the Word of God. From creation to the End Times, you will be equipped to live a fulfilling life in Christ.

***Biblical Foundations* can be completed in 2 six-week sessions.** Part One includes chapters and video sessions 1-6 and Part Two includes chapters and video sessions 7-12.

The book is a supplemental study tool that complements each video lesson - it does not follow along word for word. **Each fill in the blank answer can be found in the Bible.** The video teachings are simply to bring clarity and understanding to each topic. **Watching the teaching video before completing each chapter is recommended.**

Books can be purchased at your campus bookstore. **Videos can be found at [Youtube.com/ChurchoftheKing](https://www.youtube.com/ChurchoftheKing) or [ChurchoftheKing.com/foundations](https://www.ChurchoftheKing.com/foundations).** Videos can also be listened to as a podcast. The podcast link can be found at [ChurchoftheKing.com/foundations](https://www.ChurchoftheKing.com/foundations). **Small Group questions can be found at the end of each chapter.** See the preface and appendices in the *Biblical Foundations* book for more small group tips and information.

The goal of *Freedom* is to equip you to remove the things that hinder you from a deeper relationship with God so that you can walk in the true victory provided through what Jesus did for us on the cross. Freedom is a **ten-week** small group that culminates in a 2-day Freedom Weekend experience on **December 2-3.**

**SMALL GROUP HOSTS** will need to purchase a *Freedom* book and access the *Freedom* videos. Discussion questions can be found in the **appendix** of the *Freedom* book. The three longer videos can be watched individually by participants and the ten Small Group videos can be watched together during Small Group. All Freedom videos can be found at [ChurchoftheKing.com/Freedom/Media](https://www.ChurchoftheKing.com/Freedom/Media).

**\* First time Freedom small group hosts will need to attend a Freedom training. More details about the training will be communicated before the Summer Semester begins.**

**ALL PARTICIPANTS** will need to purchase their own *Freedom* book from their campus bookstore. It is important that participants attend most group meetings and the Freedom Weekend retreat. Be sure to follow the homework schedule found at the beginning of the book.
